STUDENT SELF-EVALUATION

To be filled out by the student.

It is very important that our incoming students exhibit a sincere desire to attend our school and to be a part of the family at Covenant Christian Academy. Students applying in Grades 5-8 are asked to complete this portion by themselves, giving an honest appraisal of their relationship with God and with others.

Please state in your own words, why you want to attend CCA:

Who is Jesus Christ and what does He mean to you and your life?

Describe how you decide between right and wrong; the basis or method you use in deciding what to do, say or think.

In your opinion what constitutes success? In other words, what makes a person worthwhile or successful?

At this point in your life, what would you like to do when you graduate from high school or college?

What are your hobbies or interests?
