

May 26, 2021

Dear Parents,

These challenging times force us all to consider afresh what we value. Experiencing the fragility of life can be the best way to reorder our priorities and put first things first. As I prepare to enter my 18<sup>th</sup> year as principal of CCA, I have long known that families value CCA's emphasis on the basics: reading, 'riting, 'rithmetic, and relationships...with caring staff, and with Jesus Christ!

With CCA's tremendous value as the backdrop, Will Jones and I would like to announce our tuition and fee package for the 2021-2022 school year. Our tuition rate is increasing, and we trust you will realize that we are trying to balance affordability for you and sustainability for our staff. The CCA teachers are truly remarkable in their willingness to work for a mere fraction of what their public school colleagues earn.

Also new this year is CCA's first ever scholarship fund! A generous friend has given a sizable amount of money for us to assist families in need. God has been so good to our school during this time. He has met our needs, and we know He will meet yours as well.

Please see the attached Tuition Rate sheet for all the financial details. Please also complete and return the "Intentions" paper so that we can begin planning for next year's class sizes. Together, we will continue to co-labor with God to give young people the very best!

In His service,

Philip Miller, Principal

Will Jones, Board President
